Technical product information

## VACUUM VENT RMG 943

## RMG 943

VACUUM VENT RMG 943	
device	Vacuum vent
certificate	EC prototype test certificate according guideline 94/9/EC with ATEX 95 and EN13463-1, EN13463-5
application	gas/air- or vapour/air-mixtures II ½ G c IIB T X
nom. diameter	DN50, DN80, DN100 2", 3", 4"
connection	ISO 7005 PN10 ANSI B16.5 - 150 RF
material	valve set stainless steel, special alloy valve seat stainless steel, special alloy body ductile iron, stainless steel
set pressure	vacuum -2,5 mbar to -50 mbar
